

We're Recruiting...

GD Environmental is currently recruiting a **HGV Mechanic**

A vacancy has arisen for a HGV Mechanic to join our busy teams at our waste recycling plant. The successful candidate will be required to hold a minimum of **HGV NVQ Level 3**.

We are looking for someone who is hardworking, trustworthy and reliable, who is capable of working on their own initiative, with great attention to detail. The successful candidate will also have high levels of flexibility with regards to hours of work and weekend work.

Experience with heavy plant and hydraulics would be advantageous. There is potential for the role to be made permanent for the right candidate.
